📍 Pune, Maharashtra - 411046   🏹 Portfolio

Objective

- I am a dedicated front-end web developer with 9 months of professional experience and an additional 5 months of internship experience in web development.

- My career objective is to leverage my existing skills and knowledge in front-end development to contribute to a dynamic team where I can collaborate on exciting projects, expand my expertise, and continuously grow as a front-end developer.

- I am eager to apply my proficiency in HTML, CSS, JavaScript, React JS, and responsive design to create engaging web experiences that drive user engagement and meet the evolving needs of the digital landscape.
